### **System for Award Management ( <https://www.sam.gov> )**

This World Wide Web site is provided as a public service by General Services Administration (GSA) for the purpose of efficiently and conveniently disseminating information on parties that are excluded from receiving Federal contracts, certain subcontracts, and certain Federal financial and nonfinancial assistance and benefits, pursuant to the provisions of 31 U.S.C. 6101, note, E.O. 12549, E.O. 12689, 48 CFR 9.404, and each agency's codification of the Common Rule for Nonprocurement suspension and debarment.

Please note that due to the traffic volume at SAM, EPLS is available for a short time for searching the excluded parties list only. New exclusions, and updates to existing exclusions, should be entered at [www.sam.gov](http://www.sam.gov). Those changes are provided to this searchable database at this time on a nightly basis.
